Junior Committee Report September 2017

We currently have 47 juniors plus a few emergencies playing in Saturday morning competition made up of 10 teams which is the maximum we can fit at Karingal without hiring outside courts. We have also started two Friday night singles teams in the Diamond Valley Comp with another 10 players which has therefore increased the total number of teams to 12 which is 2 up on this time last year.

We had 8 new players sign up for the current season made up of 7 boys and 1 girl.

We have 5 players playing representative pennant on Sunday mornings (representing NEJTA). There are also quite a few players regularly playing tournaments throughout the year.

The money we received from sponsors was put towards club hats for all the juniors. This was a result of feedback we received from an email sent to all the juniors / parents asking what they would like the money to be spent on, with an overwhelming support for hats. Bob Reilly organised the hats so thanks to Bob. The remainder of the money was spent on a combined Club Championships / Xmas Party organised by myself and Raelene which proved to be a fun day for everyone involved. Winners of the boys and girls were Jarrod Cripps and Julia D'Agostino already with their names on the honour board.

Finally I would like to thank the parents that help me with home supervision. So thanks Bob, Raelene, Vicki and Mark and also all the parents who have been team managers throughout the year.
