

Match Committee Report 2016-2017 Competition Year

Once again the club has fielded teams in four district competitions, Diamond Valley Tennis Association (DVTA), Heidelberg & District Tennis Association (HDTA) North Eastern Night Tennis Group (NENTG) and Metro Masters.

Although the number of teams entered has remained fairly constant we have been pleased that a complete ladies team from Plenty TC has joined Karingal Drive to play in the HDTA competition.

May I take this opportunity to thank Chris Groves, Catherine Keegan and Cliff Turner for managing the various competitions ó it doesn't happen without them!

Since the last AGM there have been two seasons, Spring 2016 and Autumn 2017. The following is a summary of each of those seasons in each competition.
